WHAT KINDS OF FINANCIAL PRODUCTS AND SERVICES CAN NEDS PROVIDE?

Neds is authorised by EML to provide general financial product advice to retail and wholesale clients in relation to deposit and payment products limited to:

- Basic deposit products; and
- Non-cash payment products.

The Neds Card is a facility for making non-cash payments (a reloadable prepaid Mastercard product) issued by EML.

This means that Neds can:

- Arrange for the issue of the Neds Card by EML to you;
- Provide general financial advice in relation to the Neds Card; and
- Publish or issue certain promotional material in relation to the Neds Card.

Neds and its associated companies are not authorised to provide (and EML itself does not provide) personal advice about financial products. Personal advice is advice when your objectives, financial situation or needs have been or would be expected to be considered. This means that Neds will not take your objectives, financial situation or needs into account whenever it gives general advice (in publishing or issuing promotional material) about the Neds Card.

It is therefore your responsibility to decide for yourself whether any general financial advice given by Neds in its promotional material is suitable for you, or to get personal advice from a financial adviser who holds an Australian Financial Services licence or who is an Authorised Representative of the holder of an Australian Financial Services licence.

Neds can only provide general advice on basic deposit and non-cash payment products limited to the Neds Card. Neds cannot advise you on, or influence you in favour of, a financial product which is not a product they are authorised to provide advice on.

Please be aware that EML shall not be responsible where the Representative provides any services to you which are outside of their authorisation limits. You should therefore ask the Representative to specifically confirm that the service or product relates to deposit and non-cash payment products, prior to acting on any general advice.

EML or Neds will also provide you with, or explain how to access, a Product Disclosure Statement ("PDS") for the Neds Card. The PDS contains information about the costs, benefits, risks and other features of the recommended financial product. You should read this information to enable you to make an informed decision prior to acquiring the Neds Card.

CAN I PROVIDE NEDS WITH INSTRUCTIONS?

You may provide the Authorised Representative with specific instructions by letter, email, telephone, fax or other means (as agreed with the Authorised Representative).

DISCLOSURE OF ANY RELEVANT CONFLICTS OF INTEREST

EML and Neds are not related entities. Neds does not have any relationships or associations that might influence them in providing you with its services.

Example of Foreign Exchange Fee:

You make a purchase from a merchant located outside Australia (e.g. USA);
At the time, Mastercard's prevailing exchange rate is US\$1.00 = \$0.95 Australian;
You spend US\$200.00;
The Australian dollar amount is US\$200.00 x \$0.95 = \$190.00;
The foreign exchange fee is therefore 2.99% x \$190.00 = \$5.68
